Integrated Management System

2.1 Quality Policy

Euro Demolition and Dismantling Limited are the provider of industrial demolition and dismantling services in both the UK and Europe and are committed to delivering its services to the highest of standards, consistently and taking into account legal requirements, industry guidance and best practice.

The company's policy and objective are to;

- Continually review our operating practices with the aim of further improving our service delivery
- Integrate our quality standards into our daily activities and provide a clear structure to follow, further develop and improve upon
- Operate in accordance with our documented Integrated Management System
- Ensuring that the products we purchase, services we engage in and subcontractors used are consistent with the quality standards set out within the policy and Integrated Management System

EDD strive to ensure that standards of service are continually high irrespective of the work type or location of operation. As such it is recognized that these high standards are only maintained through the adoption of a systematic and disciplined approach by all employees. The implementation of a documented quality system, integrated and complying with ISO9001 provides the platform for a disciplined structure and to further develop and improve the company's system and service in order to meet the future needs of its customers.

This quality policy has been defined by the company's senior management and has been communicated throughout the organization by displaying the policy on all site notice boards, referencing it during company inductions and its inclusion in site document packs. The quality policy is also made publically available on the company website.

The ultimate responsibility for the quality Integrated Management System is that of the Managing Director but its application is the responsibility of everyone in the organization.

David Unwin
Managing Director
