Integrated Management System

2.3 Environmental Policy

Euro Demolition and Dismantling Ltd (EDD) are the provider of industrial demolition and dismantling services in both the UK and Europe and are committed to delivering its services with minimum environmental impact, consistently and taking into account legal and Environmental requirements, industry guidance and best practice.

EDD will achieve this through our commitment to:

- Continual improvement of our environmental performance by regularly reassessing the effects of our organisation and activities.
- Minimise waste production by adopting a simple 'Reduce-Reuse-Recycle' approach to all our activities.
- The prevention of pollution and minimisation of our environmental impact.
- Complying with all environmental legislation.
- Involving employees in our environmental programme and providing necessary training to enable them to fulfil their responsibilities.

Performance against stated objectives is monitored and reviewed at our management review meetings where targets are set and actions for improvements decided.

This policy, the associated operating procedures and the objectives and targets are communicated to all staff and sub-contractors via the site notice boards and at inductions as well as being publically available on our website.

This policy applies to all activities undertaken by Euro Demolition and Dismantling Ltd and is available to external parties via our website.

The Managing Director will be responsible for the implementation of, and subsequent adherence to the company environmental policy and procedures. The Managing Director is responsible for ensuring a regular review of the environmental policy and procedures is carried out to ensure they are updated to reflect any significant changes in the company organisation, commitments, and legislative requirements.

David Unwin
Managing Director
